

Today our stores were packed and jammed with customers, way beyond all our expectations, in fact crowded as they never were before and the **MILL END SALE PRICES** did it. This Mill End Sale is not a mushroom that springs up in the morning and vanishes at night, but a bonafide, genuine Bargain Sale—planned months ago on careful lines and made possible by Mill End buying. This sale will last at least ten days and every succeeding day will bring forth bargains of greatest magnitude. Now don't think that because this is called a "MILL END SALE" that it only means remnants in the Dry Goods Department. No! not by any means. This sale affects every department and you will find on every counter bargains that you never saw before. Come and see for yourself; be your own judge, and whatever else you do, don't **MISS THIS THE GREATEST OPPORTUNITY OF YOUR LIFE.**

Half of the people you see on the streets are going to or from stores—and of the women, perhaps three-fourths are! And, of these, the great majority are going to stores to investigate advertised offers. Some of them, every day, secure "bargains" which you might have secured—things you NEED, and (at the reduced prices) you could have AFFORDED TO BUY.
